

Product Environmental Profile – Visalia™

This information applies to Visalia Lounge

Environmental Attributes

- Product Category — Seating: Lounge
- Certifications
 - SCS Indoor Advantage™ Gold certified for indoor air quality in North America
 - level® 1 certified to ANSI/BIFMA e3 standard
- LEED Contribution
 - Recycled Content
 - Regional Materials
 - Low Emitting Materials
- Environmental Facts
 - Up to 7% recyclable
 - Up to 4% recycled content

Recycled Content Summary

Model	Total Weight (lbs)	Recycled Content (lbs and %)		Post-Consumer (lbs and %)		Pre-Consumer (lbs and %)		Recyclability (lbs and %)	
COJHL100	96.9	4.0	4%	2.7	3%	1.3	1%	6.6	7%
COJHL200	152.0	4.7	3%	3.2	2%	1.5	1%	7.6	5%
COJHL300	199.7	5.4	3%	3.7	2%	1.7	1%	8.8	4%

Disclaimer

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Visalia™

This information applies to Visalia Lounge

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post consumer + ½ pre-consumer
			COJHL100 – (3%) + (1%) = 3.5%
			COJHL200 – (2%) + (1%) = 2.5%
			COJHL300 – (2%) + (1%) = 2.5%
	Materials & Resources	MR 5 (regional materials)	Visalia Lounges are assembled in High Point, NC. Projects ≤ 500 miles from this location qualify.
	Indoor Environmental Quality	IEQ 4.5 (low-emitting materials)	Visalia Lounges are SCS Indoor Advantage™ Gold certified for indoor air quality in North America.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	See MR 4 above.

Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of Scientific Certification Systems. Cradle to Cradle Certified™ is a certification mark of MBDC.

Refer to www.usgbc.org for LEED Program details. Steelcase products may contribute in a number of areas. For additional information contact your Steelcase dealer or the director of Global Environmental Performance (616.247.2996).

CONVERSATION PIECE

Visalia

The only important thing about design is how it relates to people.

— Victor Papanek

As social spaces in offices evolve toward a more residential aesthetic, the sweet spot in seating is lounges that feel crafted and inviting. Visalia hits the sweet spot.

CRAFTED FOR COMMERCE

The Visalia Lounge Collection from Coalesse is a cultivated departure from the sameness of office “house style.”

Visalia works a room. A sculpted Tuxedo-style lounge, its quality-stitched upper and lower upholstery facets and slim aluminum base give designers the opportunity to play with expressive two-tone motifs.

With Visalia, users can touch down, sit back, and confer. Efficiently scaled, it can be grouped to promote collaboration, or arranged for relaxed reflection in offices, lobbies, even homes.

The Visalia Lounge Collection. Crafted for commerce. Sensibly accommodating. Spot on.

DETAILS

The Visalia collection is available in one, two and three seat lounge versions, an ottoman and a two seat bench. All are available with contrasting stitch option.

Product Features

- A. ARM/BACK DETAIL - FRONT VIEW
- B. ARM/BACK DETAIL - BACK VIEW
- C. FACETED ARM DETAIL - FRONT VIEW
- D. FACETED ARM DETAIL - BACK VIEW
- E. ARM DETAIL - CONTRASTING FABRIC
